Campers Participate In Olympic Week

Summer is finally here, and The University of Dayton RecKids Camp was the perfect way to kick it off! The camp staff has been working very hard to make sure this is a summer jammed packed with fun activities for all of the campers to enjoy! Each day will of-

fer the campers two different program areas including Arts and Crafts, Scientific Extravaganza, Games Craze, Sports & Games, Team Building, Outdoor Adventure, Wellness Wonders and

Crazy Combo.

Each week throughout the summer, campers will get to enjoy a new weekly theme. We chose to start the summer off with the Olympics. Each day, campers learned about a new

sport that is part of the Olympic Games. We started off by learning about all of the different types of cycling that are included in the Olympics. Campers also learned about the Olympic colors and they each made their own Olympic colors spinning wheel which encompassed all of the colors! Of course, in order to be a great

athlete you have to eat well, so the campers also learned about the food pyramid and the elements of a nutritious meal.

We had a great first week and look forward to many more this summer!

Meet the RecKids Camp Staff

Administrative Staff

Abby Thrine & Nichole Haberin Camp Coordinators

Nichole and Abby have five years shared work experience. Both attended Ball State for undergrad and grad school. Abby started working at UD in May '06 and Nichole followed a year later. We love RecKids Camp!

Kim Cullman

Administrative Assistant

I recently graduated from Indiana University with a degree in Journalism and a minor in Kinesiology. I'll be a 1L at UD School of Law in August! I love playing golf and Indiana basketball!

Dan Parzych

Administrative Assistant

I recently graduated from UD with a degree in Marketing and a minor in Communications. I'm also a freelance writer for the NFL for various websites and absolutely love the Philadelphia Eagles and RecKids Camp!

Rachel Schmitz
