## RecKids Cardboard Boat Regatta Rocks!

This week at RecKids Camp, we had our second annual Cardboard Boat Regatta!

The campers were incredibly busy this week working on their boats! We started the week off by dividing everyone into teams to work with on their boat. The teams then spend the next few days planning, drawing and finally constructing their boats.

The counselors even pulled off a surprise to all of the campers and put together a boat of their own!

On Friday, the campers were able to test their boats in the RecPlex pool. Some of the boats made it all the way across the pool while others weren't quite as fortunate, but everyone had a great time and learned a lot in the process!

We hope to see all of you back again. As always, if you have any questions, comments or concerns, please feel free to contact the administrative staff (Nichole, Abby, Kim or Dan) at 229-2711.

### *Around The World In Five Days!*

Next week at RecKids Camp we'll travel around the world in five days! Each day we will "visit" two different countries and learn about their people, culture, food, sports and much more.

If you have anything at home that you would like to send in with your camper to share with the group on a particular day next week, please feel free to do so. Just make sure it is well labeled with the campers name so we can get it back home safely.

Our schedule for next week is as follows:

- Monday:** Canada and Japan
- Tuesday:** Australia and Russia
- Wednesday:** India and Egypt
- Thursday:** Madagascar and Spain
- Friday:** Argentina and Dayton

Were looking forward to another exciting week!
