

RecKids Report

VOLUME 1, ISSUE 8

JULY 31, 2009

RecKids Campers Create a Carnival!

This week at RecKids Camp, we're celebrating the end of summer with our very own RecKids Carnival!

Throughout the week, the campers spent time constructing their own games that would normally be found at a carnival.

Some of the activities created for the Carnival include a spin wheel with prizes, putt-putt golf, piñatas, hot-shot, cake walk, a maze, and much more!

After a hard week of preparation, the campers held the first ever RecKids

Carnival on Friday afternoon in the MAC Gym at the University of Dayton Recreational Facility. Family and friends of the campers were invited to participate in the event, while the campers rotated playing games and running their stations throughout the day.

Of course with games came great prizes, as each camper had the opportunity to try and win in their favorite games!

We hope to see all of you back again next summer. As always, if you have any questions, comments or concerns, please feel free to contact the administrative staff (Nichole, Abby, Kim or Dan) at 229-2711.

Thanks To All Of The Campers And Parents !

It seems like it was only yesterday that we started our second summer of RecKids Camp!

Eight weeks have come and gone as we approach the month of August, which means our time at RecKids Camp has come to an end.

From all of the counselors and administrative staff, we would like to thank all of the parents and campers who helped make this summer wonderful. We all had a blast spending our summer with all of you and couldn't have done it without you.

The second summer of RecKids Camp has left us all with memories that will last forever. From our boat races built out of cardboard boxes to the weeks we spent traveling through decades and other countries, this summer was a blast and we could not have asked for a better group of campers. Thanks to all the parents and campers for making the summer of 2009 a great one!

RecKids Camp Survey

As the summer is coming to a close, the RecKids Camp administrative staff would like to be able to evaluate the success of this year's camp.

We have put together a survey to help us with our evaluation process. The results of this survey will help the administrative staff in their planning for next year's RecKids Camp. If you have any comments or suggestions, positive or negative, please feel free to share them with us.

We hope that many of you will take the time to complete the survey and share your opinions with us. Your thoughts will be invaluable in our planning for next year.

As a thank you for anyone who takes the survey, we are offering \$5 off of one week at camp for 2010 with proof of completion. After you finish the survey, you will be redirected to a page directing you to print it as a receipt. We ask that you save it, and this will be good for \$5 off a week of camp next summer.

To take the survey, please click [here](#).
